# Cashier Shield

Model: CS3040P

Hatco's lightweight, clear, transparent polycarbonate Cashier Shield can help you in your effort to prevent the spread of germs and viruses at checkout registers, restaurants, pharmacies and other critical areas. It acts as a physical barrier that can help stop contagions beyond the shield. Clear partitions are more important than ever. Cashier Shield can stand on it's own and does not require tools for assembly. Feet can be secured to surface using mounting screw holes if desired.

## Standard features

- Helps maintain social distance and physical separation
- Helps protect customers and employees
- Easily sanitized using non-abrasive cleaners
- Completely transparent/clear - will not obscure vision
- More impact resistant than glass
- Durable and light weight
- Rounded edges
- .375" (10 mm) thick sturdy polycarbonate shield, 14 gauge Stainless Steel feet with mounting holes provided
- Convenient pass-through window at base of shield
